Richard Eaton Joins Faculty Ranks at Royal Roads University

Victoria BC, October 15, 2018 - [Berlineaton](#) is honoured to announce that Richard Eaton has recently been selected to join the associate faculty ranks at Royal Roads University (RRU). Richard will serve alongside staff and students, in a part time capacity, at the [School of Leadership Studies](#) to help further their inspiring vision to *'connect scholarship with practice to change the world, one leader at a time.'*

Richard graduated from RRU's Master of Arts in Leadership and Training program in 2007, and he is excited to be going back to help others benefit as much as he did from the experience. Richard "...really enjoyed how their Leadership program connected the dots between vision, engagement, intellectual rigor and learning. It's a great model for the way I have seen the best leaders show up in organizations, of any size or in any sector, seeking to become more effective in the face of overwhelming change."

Berlineaton is excited to explore the possibilities this will open up for our clients, as Richard is able to bring back new ideas and approaches from his new experience as an associate faculty member.
